QUALIFIED SUBSTITUTE TEACHER CREDENTIAL
University of Alaska Fairbanks
Northwest Campus

The substitute teacher campus credential includes 8-credits of coursework focused on training regional residents to be effective substitute teachers in schools throughout the region. Courses help build a valuable foundation for becoming a certified teacher in the future, or continuing as a qualified substitute. Students build confidence, learn basic classroom management skills, lay the groundwork for a degree in education as well as increase employment opportunities! Courses are delivered over a series of semesters. Campus credential is pending approval by the NWC Advisory Council.

COURSES

ED F237 C D Technology Tools for Teachers (1 cr)
Comprehensive introduction to various ways that technology can be utilized in the classroom. Students will be exposed to practical computer use such as exploring software, lesson plans, graphics, Internet use and Internet safety. Focuses on Microsoft and Google applications.

ECE F110: Safe and Healthy Learning Environments (3 cr)
Establishing and maintaining safe, healthy and inclusive environments for children ages 0-8. Emphasis is on environments that are developmentally and culturally appropriate and encourage play, exploration and learning. Topics include common illnesses, preventative health care, safety aspects in indoor and outdoor settings as well as on field trips. Laws and regulations relative to course content are included.

ED F111: Becoming a Teacher in the 21st Century (3 cr)
Introduction to the B.A. in Elementary Education degree along with the resources available through the UAF School of Education. Overview of what it means to be an elementary teacher in Alaska’s culturally, linguistically and geographically diverse schools through review of current educational context and various entities that shape educational policy and familiarization with UAF/AK Teacher Standards and assessment. Participation in an elementary classroom is required.

EDPA F250: Current Topics for Educators (1 cr)
Focus on in-service training offered through school districts to update and train para-professionals and teachers on the use of district curriculum, policies, procedures, etc.
