This class is open to anyone interested in learning to knit, learning a new knitting stitch, or taking on a project that you might not want to tackle alone. There will be two instructors, so beginners will receive close instruction, supervision and help. For students who already know how to knit but want to learn a new technique (e.g. lace knitting, cable knitting, double knitting, multiple color knitting) or take on a bigger project, there will be plenty of help and encouragement available.

Kirsten Bey learned to knit from her mother and never stopped. Knitting everything from qiviut socks to Scandinavian sweaters, she sells her work through her business, Qiviut Fever, and owns Sew Far North.
