Cost: NOW $146 -- OR $110 if paid in advance!

Soils, plant propagation, disease and insect control, variety selection, fertilization, greenhouse construction and care and gardening techniques. Emphasis on development and care of greenhouses and gardens in the Nome area. This is a hands-on class. Students will raise a wide variety of plants in several greenhouses over the course of the spring and summer months.

Cheryl Thompson is a certified master gardener who has successfully gardened in Nome for over 20 years and operates a greenhouse business.
