with Rhonda Schneider

Mon & Wed / 6-8pm /Mar 28 to April 18
REGISTER BY: Mar 21
Seven 2-hour sessions / 1 credit / APAR F150P / CRN 38991
Cost: $135 (or $98 if paid in advance) + materials

This course is designed for students who have little or no experience using a sewing machine. Basic projects for around the home are a great way to learn simple steps that can lead to more sophisticated sewing projects. Each week there will be different projects with specific objectives and new skills to learn.

Rhonda Schneider has been sewing for a long time with experience in new creations, alterations and even upholstery. She has taught many people to become comfortable and accomplished with their sewing machine.
