REGISTER BY: Apr 4
5 3-hour sessions / 1 credit / APAR F150P / CRN 39000
Cost: $135 (or $98 if paid in advance) + materials

Have you always admired lace neckwarmers, scarves, shawls, hats & gloves? Have you thought lace knitting was too complicated and difficult to do? It's not! This is a class on how to do lace knitting. Students will choose a project, select yarn and needles and receive instruction on how to lace knit. Lace knitting can be done with the entire gamut of yarns from very thin to thick. Students must know how to knit and purl to take this class. This is not a "learn to knit class".

Loretta Bullard is a long time knitter and especially accomplished with qiviut fiber, one of the finest fibers for lace knitting.
