

UA Board of Regents (BOR) policy waives regular tuition for Alaska residents at the age of full Social Security retirement benefits. You are eligible to utilize the **Senior Citizen Tuition Waiver**

and enroll in UAF courses if:

- you are a permanent resident of Alaska;
- you are eligible to receive full Social Security retirement benefits; and
- there is space in the class or classes you want.
- you complete and submit a [Tuition Waiver Form](#)

Do not register until the first day of instruction if you are using a senior tuition waiver. You must meet both age and residency requirements by one of the following dates to be eligible for the corresponding semester: September 1 for fall; January 1 for spring; May 1 for summer. Reimbursements will not be made to senior citizens who pay for a course and then request a waiver.

If unsure of the full retirement ages, you can find them at: <https://www.ssa.gov/> .

The BOR did include a provision that **grandfathered eligibility** for all Alaska residents who were age 60 years or older on or before September 21, 2005.
